MARKET STEER	MARKET SWINE	MARKET LAMB	ANIMAL NAME	EAR TAG NUMBER

DIRECTIONS:

1. Complete appropriate animal information for all animals being entered by exhibitor as a Beaver County Junior Livestock Market Animal Project.
2. **MAIL ONLY** will be accepted and must be postmarked by July 15th.

I attest and affirm that a "veterinary-client-patient relationship" - as that phrase is defined in the Animal Exhibition Sanitation Law found at 3 Pa.C.S.A. § 2501 et seq. and any amendments thereto - exists with regard to any animals I will be exhibiting.

Exhibitor Signature _____

Parent or Guardian if under 18 _____

YOUTH ANIMAL COSTUME CONTEST on Saturday
Yes or No

DEPARTMENT 10

4-H AND VOCATIONAL

Eligibility: 4-H club members must have passed their eighth birthday but must not have passed their 19th birthday as of January 1st. Exhibitors must be 4-H members carrying a project in the field in which they wish to make entry and be under the supervision of their State University Cooperative Extension Service by their designated deadline. Open Class rules, regulations and entry times apply for all 4-H and Vocational Livestock Projects. **All animals shown by a 4-H exhibitor must be owned by that exhibitor or have a lease agreement and must be carried as a 4-H project.** Be sure to use only grooming products that are approved for use on meat and dairy animals when fitting your animals for show. Unapproved products may contain ingredients that result in unacceptable residues in the meat or milk. For exhibits, including live animals, please refer to the Beaver County 4-H Project Directory and/or the project book for project completion requirements not listed on the website or Department 10 information printed from the website. **EXHIBITORS MAY NOT SHOW IN BOTH DEPARTMENTS 10 AND DEPARTMENT 11.**

Note: Entry fees will not be charged for 4-H entries, only when the animal has been entered in open or youth classes.

SECTION A-3B – MARKET STEERS

4-H and FFA Market Steer project members meeting weight requirements may show steers in the following classes. All market steers must be naturally polled or dehorned to a safe condition as determined by the fair representatives. NO drenching, pumping or force feeding of liquids will be tolerated except administered by a licensed veterinarian. Violators will be disqualified. Show management will observe the handling of animals both in and out of the show ring and will have the authority to disqualify any exhibitor for unethical practices.

Class	1st	2nd	3rd	4th	5th

1100. Grand/Reserve Grand Champion.....	ROSETTE OR TROPHY				

Section A-5C – MARKET SWINE SHOWMANSHIP

4-H and FFA Market Swine Project members may show a barrow or gilt market in the showmanship contest provided the animal has been carried as a project and was exhibited in Section A-5A. An exception will be made for a market hog(s) only exhibitor whose hogs do not make weight. They will be permitted to keep (1) animal to show in this showmanship class.

Class	1st	2nd	3rd	4th	5th
100. Exhibitors Ages 15 & over	10	8	6	4	2
200. Exhibitors Ages 12, 13 & 14	8	6	4	3	2
300. Exhibitors 8, 9, 10 & 11	7	5	4	3	2
400. Grand Champion Showman	ROSETTE OR TROPHY				

Cattle Health Rules and Requirements

All animals showing clinical signs of contagious, infectious or parasitic diseases will not be admitted to any show or other fair event.

All drug and vaccine labels directions must be followed, including but not limited to milk and slaughter withdrawal periods. The vaccine must be administered at least 15 days prior to entry into the fair.

Pennsylvania Cattle Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2017 is required.
2. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI (statement is pre-printed on the CVI).
3. Individual official animal identification. Official ID will have a US shield and includes:
 - A USDA-issued National Uniform Eartagging System (NUES) tag; or
 - A 15-digit Animal Identification Number eartag starting with "840"; or
 - Other official identification approved by USDA. (Brands and breed registrations with tattoos are not acceptable).
4. A current rabies vaccination administered by a licensed veterinarian is recommended for animals 3 months of age and older (*market cattle are exempt*).

Out of State Cattle Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the date of importation is required.
2. Vesicular Stomatitis (VS): (applies to states that experienced a Vesicular Stomatitis outbreak in the last 12 months). An accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: "All animals identified on this certificate of veterinary inspection have been examined and found to be free from Vesicular Stomatitis (VS). During the past 90 days; these animals were not located within 10 miles of a site where VS has been diagnosed."
3. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI (the statement is pre-printed on the CVI).
4. Individual official animal identification is required. Official ID includes:
 - A USDA-issued National Uniform Eartagging System (NUES) tag; or
 - A 15-digit Animal Identification Number eartag starting with "840"; or
 - Other official identification approved by USDA. (Brands and breed registrations with tattoos are not acceptable).
5. A current rabies vaccination administered by a licensed veterinarian is required for animals 3 months of age and older (*market cattle are exempt*)
6. Testing: Tuberculosis Requirements:
 - No test is required for animals originating from "Accredited Free" states or zones.

- All animals originating from states or zones designated “Modified Accredited Advanced” must be test negative within the 60 days prior to the date of importation. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original report is acceptable).
- All animals originating from states or zones designated “Modified Accredited” must originate from herds in which all animals 12 months of age and older are test negative within the 12 months prior to the date of importation; and the individual animals to be imported (all ages) are test negative within the 60 days prior to the date of importation and at least 60 days after the negative whole herd test. The negative test results and date of test must be included on the CVI or the animal must be accompanied by a negative test report (a copy of the original test report is acceptable).

Swine Health Rules and Requirements

All animals showing clinical signs of contagious, infectious or parasitic diseases will not be admitted to any show or other fair event.

All drug and vaccine labels directions must be followed, including but not limited to milk and slaughter withdrawal periods. The vaccine must be administered at least 15 days prior to entry into the fair.

Pennsylvania Swine Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2016 is required.
2. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI (the statement is pre-printed on the CVI).
3. Individual animal ID is required. ID options include the following:
 - A form of official ID, including:
 - A registration certificate in combination with an ear notch; or
 - A USDA-issued metal ear tag with a US shield; or
 - An ISO-compliant 15-digit ear tag starting with "840"; or
 - A plastic stamped ear tag (market hogs only).

Out of State Swine Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the date of importation is required. The CVI shall include a statement verifying that the swine have not been feed raw garbage.
2. Vesicular Stomatitis (VS): (applies to states that experienced a Vesicular Stomatitis outbreak in the last 12 months). An accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: "All animals identified on this certificate of veterinary inspection have been examined and found to be free from Vesicular Stomatitis (VS). During the past 90 days; these animals were not located within 10 miles of a site where VS has been diagnosed."
3. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI (the statement is pre-printed on the CVI).
4. Individual official animal identification is required. Official ID includes:
 - A registration certificate in combination with an ear notch; or
 - A USDA-issued metal ear tag with a US shield; or
 - An ISO-compliant 15-digit ear tag starting with "840"
5. Brucellosis Testing Requirements:
 - No brucellosis test is required if the animal originates from a Validated Brucellosis-free Herd. If from a Validated Herd, the herd number and date of last test must be included on the CVI.
 - If not originating from a Validated Herd, out of state swine must be negative to

An official brucellosis test within the 30 days prior to the date of importation, and the negative results and date of test must be included on the CVI or the animal must be accompanied by a negative laboratory test report (a copy of the original lab report is acceptable).

6. Pseudorabies Testing Requirements:

- No pseudorabies test is required if the animal originates from a Qualified Pseudorabies-negative Herd. A Qualified Pseudorabies-negative Herd shall not be construed to mean every swine herd from a Stage V state, but only those herds in compliance with individual herd testing plans. If from a Qualified Herd, the herd number and date of last test must be included on the CVI.
- If not originating from a Qualified Herd, out of state swine must be negative to a pseudorabies test within the 30 days prior to the date of importation, and the negative results and date of test must be included on the CVI or the animal must be accompanied by a negative laboratory test report (a copy of the original lab report is acceptable).

Sheep Health Rules and Requirements

All animals showing clinical signs of contagious, infectious or parasitic diseases will not be admitted to any show or other fair event.

All drug and vaccine labels directions must be followed, including but not limited to milk and slaughter withdrawal periods. The vaccine must be administered at least 15 days prior to entry into the fair.

Pennsylvania Sheep Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2017 is required.
2. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI (the statement is pre-printed on the CVI).
3. Individual official USDA scrapie animal identification is required. Official scrapie ID includes:
 - A USDA ear tag with a US shield; or
 - A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database; or
 - Sheep having a breed registration tattoo and accompanied by a registration certificate are exempt from the scrapie ID requirement if the tattoo is legible and a registration certificate listing the current owner (copy acceptable) accompanies the animal at all times during transport from the premises of origin
4. A current rabies vaccination administered by a licensed veterinarian is recommended for animals 3 months of age and older.

Out of State Sheep Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued within the 60 days prior to entry into PA is required.
2. Vesicular Stomatitis (VS): (applies to states that experienced a Vesicular Stomatitis outbreak in the last 12 months). An accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: "All animals identified on this certificate of veterinary inspection have been examined and found to be free from Vesicular Stomatitis (VS). During the past 90 days; these animals were not located within 10 miles of a site where VS has been diagnosed."
3. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI (the statement is pre-printed on the CVI).
4. Individual official animal identification is required for all goats includes:
 - A USDA ear tag with a US shield; or
 - A legible tattoo with herd and individual identification recognized in an approved USDA Scrapie database; or
 - Goats having a breed registration tattoo and accompanied by a registration certificate are exempt from the scrapie ID requirement if the tattoo is legible and a registration certificate listing the current owner (copy acceptable) accompanies the animal at all times during transport from the premises of origin, and a certificate of Veterinary Inspection which lists the tattoo accompanies the animal.
5. A current rabies vaccination administered by a licensed veterinarian is recommended for animals 3 months of age and older.
