2. To be eligible for the Open Youth Market Livestock Sale; all animals must be entered in the Hookstown Fair and shown in the appropriate market livestock class, as determined by the final weigh-in and meet all the requirements of the sanctioning body of the Open Youth Market Livestock Sale. All animals must carry Official Program Identification as outlined by the sanctioning body.
3. All Open Youth Market Livestock show animals must meet weight restrictions as outlined by the sanctioning body, listed under each specie's title, to show and sell. Animals that do not meet the weight restrictions must be taken home immediately after weigh-in; unless this is the only animal the exhibitor has for showmanship.

5. The care of each animal, including feeding, watering, cleaning up of animal and animal's area will be the responsibility of the owner of the animal until the animal is shipped for harvest.
6. Each animal will be shown and sold by its owner. If the owner is unable to present the animal for show/sale for a legitimate reason, another Open Youth exhibitor may be designated to show/sell the animal. This substitution must be approved by the show/sale committee.
7. Each Youth will be limited to entering, showing and selling four (4) projects in the Hookstown Fair Open Youth Market Livestock show and sale.

13. Only the Youth exhibitor with their projects will be permitted in the ring while the show is in progress. It is strongly recommended that no coaching be given from outside the ring as this tends to distract the Youth exhibitor and the ring crew. This also helps the Youth exhibitor focus on the judge and the judge's instructions and questions.
Exception: If the judge asks for assistance due to circumstances. (ex. Lift turkey)
14. Youths exhibiting Market Livestock are required to help setup and cleanup the area where their projects are to be housed, shown and sold during the Hookstown Fair. Failure to have representation during setup and cleanup may result in a \$50.00 deduction from your Open Youth Market Livestock Sale check. This decision will be at the discretion of the show/sale committee.
15. The show/sale committee shall be comprised of the following: Leader of participating 4-H clubs or leaders of participating Open Youth Market Livestock clubs. These leaders shall have all qualifying state clearances to work with minors as required by their respective club/organization. The number of members on the committee from each participating club shall be proportionate to the number of livestock projects each club has showing and selling at the Hookstown Fair. This shall be limited to one (1) committee member per up to twenty (20) livestock projects. (Ex. 5 livestock projects – 1 show/sale committee member; 21 livestock projects – 2 show/sale committee members.)
16. The Hookstown Fair Open Youth Market Livestock Rules shall be reviewed in a meeting held in the month of September.
